

Welcome to Honeyfern Hollow

Welcome to Honeyfern Hollow, a little village where the kettle is always warm and every season brings something to celebrate. Spend one gentle year with eight good friends: Bramble the bear, Clover the rabbit, Miso the cat, Juniper the fox, Pip the puppy, Tofu the panda, Pebble the otter and Thimble the mouse. Bake pancakes, splash through spring puddles, pick apples, stitch a friendship quilt and gather by the fire as the snow falls.

And look out for Dot, a tiny wren hiding on every page!
